

QCT Board Meeting, 19 June 2020:

Outcomes summary

The Board's fourth ordinary meeting for the year was again held using videoconferencing technology, due to the COVID-19 pandemic restrictions regarding physical distancing. The Board:

- commended actions taken by the QCT Office to maintain staff wellbeing during the pandemic
- approved, pending the outcome of a stakeholder meeting the following week, the sending of an interim communication to reassure education deans and preservice teachers about concerns over the implications for final-year preservice teachers of disruptions to professional experience due to the pandemic
- approved a proposal from a Queensland initial teacher education provider for a variation to professional experience arrangements for final-year preservice teachers on their Singapore campus due to graduate in semester 1 2020
- endorsed and provided feedback on a report on QCT performance against the performance indicators in the Strategic Plan in the first quarter of 2020
- approved general proposals for the content and timing of communications to teachers regarding the QCT's participation in the Australian Teacher Workforce Data strategy for 2020
- endorsed proposed actions regarding the certification process for Highly Accomplished Teachers and Lead Teachers in 2020 and commended ongoing collaborative efforts by the QCT, the Queensland Department of Education and the Queensland Catholic Education Commission to improve all aspects of the certification system in Queensland
- noted reports from the Chair and the Director and updates on various other activities and aspects of the QCT's work.
