

QCT Board Meeting, 23 October 2020:

Outcomes summary

The Board's seventh ordinary meeting for the year was again held using videoconferencing technology, due to the ongoing COVID-19 pandemic conditions. The Board:

- reviewed the QCT Strategic Plan 2019-2022 in light of the numerous changes in context since the Plan was developed, and considered strategic priorities for the remaining two years of the Plan's term
- in light of ongoing ramifications for teacher education programs of the 2020 COVID-19 restrictions, approved an extension until December 2021 of lower thresholds for the amount of professional experience preservice teachers must complete
- approved the QCT's participation in a proposed longitudinal research project on teacher resilience and wellbeing
- considered and provided feedback on plans for marking the fiftieth anniversary in 2021 of a teacher registration authority in Queensland
- approved the five-yearly renewal of the Director's registration
- determined that the QCT should fund the Director's completion of professional development in the form of the AICD Company Directors Course
- noted reports from the Chair and the Director and updates on various other activities and aspects of the QCT's work.
