

QCT Board Meeting, 17 June 2022:

Outcomes summary

At the fourth meeting of its new three-year term, the Board:

- supported the investigation of alternative structural and financial models for future delivery of QCT's certification function that will maintain the rigour of the certification process
- approved Permission To Teach (PTT) principles to be published for use by employers and ITE providers
- approved a communication plan for stakeholders to enhance information about PTT requirements
- endorsed the proposal to host the International Federation of Teaching Regulatory Forum (IFTRA) in Queensland in 2024
- supported participation in the 2022 Australian Teacher Workforce Data Survey pending Ministerial approval to release registration data under Section 283 of the Act
- supported continued consultation on proposed amendments to QCT legislation related to child safety as part of an operational review of the Act.
