

QCT Board Meeting, 23 March 2018:

Outcomes summary

At its second meeting for the year, the Board was pleased to welcome the Queensland Minister for Education and Minister for Industrial Relations, the Hon Grace Grace MP for a discussion of matters of mutual interest.

In addition, the Board:

- considered risk appetite at Board and management levels across various categories of QCT operations
- noted an update on progress of the national review of teacher registration
- considered a draft letter to the Minister regarding disclosure of QCT data for inclusion in the Australian Teacher Workforce Data Strategy
- endorsed a proposed minor amendment to its policy on QCT-supported attendance by Board members at external events
- approved a proposed revised list of delegations of the Board's powers
- noted information about a project underway in the QCT Office on regulatory alignment in the accreditation of initial teacher education programs
- noted a presentation to be given by the QCT Director at a forthcoming international conference of teacher regulatory bodies in New Zealand.
