

QCT Board Meeting, 20 October 2017:

Outcomes summary

At this meeting the Board:

- approved for consultation with stakeholders a draft guideline to accompany the QCT policy on suspension of teachers' registration for posing an unacceptable risk of harm to a child
- approved a brief for provision to consultants as part of an invitation to submit proposals for facilitation of a workshop for the Board and senior staff members on the QCT's overall strategic approach
- received a briefing on factors likely to have significant influence on the QCT's budgets over the next five years
- received an overview of the QCT's outcomes on the annual Working for Queensland survey for public sector organisations
- received a briefing on implications for the QCT of the recommendations of the recent review of the 'blue card' system in Queensland
- received a briefing on preliminary plans for the Board-member election due to be held in 2018
- considered the QCT's role in promotion of the teaching profession
- received feedback from Board-member participants in the Queensland trial of the certification process for Highly Accomplished and Lead teachers.
